

PUBLIC SALE OF Land Stock and Crop.

Thursday, September 23rd, 1915

beginning at 9:30 a. m., at his late residence, one mile West of Lowell on the L. & N. Railroad in Garrard County, sell to the highest bidder the following personal property of J. R. Henderson, deceased.

HORSES AND MULES. Two brood mares, in foal; 2 mule colts; 1 horse colt; 1 nine year old horse mule; 1 five year old mare mule; 2 four year old mules; 3 three year old mules, 3 two year old mules; 1 yearling mule; 1 yearling filly; 1 five year old draft mare; 1 four year old buggy mare; 2 family horses gentle for women and children.

CATTLE. One Short Horn Bull; one cow and calf; one heifer, to be fresh in October; two yearling heifers.

HOGS. 13 nice shoats weigh about 90 pounds, three sows and pigs, 12 fat hogs ready for market.

FARMING IMPLEMENTS. One Deering Binder, one Deering mowing machine, one two-horse corn planter, one steel land roller, one cutting harrow, two cultivators, two turning plows, one Superior wheat drill, 2 two-horse wagons, one buggy and harness, one hog box. Twelve stands of bees, one hand Blue Grass sripper, one set wagon harness, four sets plow gear, one large kettle and furnace, about 150 barrels new corn in heap, 200 bales of mixed hay. Some household and kitchen furniture including one Organ and old fashion corner cupboard. Many other things too numerous to mention.

If not sold before, at the same time and place, we will offer the farm containing 249 acres, and known as the John R. Henderson farm, located one mile from Lowell on the L. & N. railroad, one-fourth of mile from Fonso and from two to four miles of five good churches, and one and half mile of the Paint Lick Consolidated schools. This farm is well improved, having a residence of seven rooms, a large new stock barn, a five acre tobacco barn, all the necessary out buildings, a good cistern and splendid well. A tenant house on this farm of five rooms, good barn and all out buildings and good cistern. The best watered farm in Garrard county, with seven never failing springs and two large ponds and all in grass except about forty acres. It is so situated that it can be divided into three small farms, if purchasers desire. Terms made known on day of sale. Phone 357-B Lancaster Exchange. For further information, write or call on

What a Woman Can Do. A woman may not be able to write poetry, but she helps to make life a grand, sweet song every time she cans a bushel of cherries.—Toledo Blade.

A Bit of Poetry. Whatever your occupation may be, and however crowded your hours with affairs, don't fail to secure at least a few minutes every day for the refreshment of your inner life with a bit of poetry.—Prof. Charles Elliott Norton.

First Patent for Plow. The first patent for a plow is said to have been obtained by Joseph Foljamb in 1730. His invention was closely followed by other plow makers, and he struck the same practical idea that has been so elaborated in the soil-turning instrument of today.
